French at Gosberton Academy

At Gosberton, the intention of our MFL curriculum is to develop an interest in and thirst for learning other languages. We aim to introduce the learning of the French language and the understanding of its culture in enjoyable and stimulating ways. We hope to embed the essential skills of listening, reading, speaking and writing. We aim to build the children's 'culture capital' so that they are aware of similarities and differences between cultures. In short, we hope to lay the foundations for future language learning.

Our MFL curriculum has been designed to progressively develop skills in French. We use Language Angels to support the delivery of our French lessons. These ensure children acquire a bank of vocabulary organised around topics. They ensure development is progressive as they build on previous knowledge from units already studied. All children in KS2 are taught French in a weekly discreet lesson
