

Gosberton Academy – Sports Premium Statement – September 2021

Review of 2020-21 and Planned expenditure of 2021-22

What is the Sports Premium?

Since March 2013 the Government have provided additional funding to improve provision of physical education (PE) and sport in primary schools in England – The Primary PE & Sport Premium. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school head teachers and is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding:

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Vision:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. We would expect indicators of such improvement to include:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

2020/21

Project	Outcomes
Members of the Boston School Sport Partnership	The Sports Partnership has given the school the opportunity to take part in a large number of different sporting activities this year. These have given both Key Stages the opportunity to be involved off site.

	<p>The way the competition structure has been set, has given pupils across Key Stage 2 a large access to competitive sport, which has also seen large numbers being involved.</p> <p>*See calendar below</p>
Members of Elite Sports Academy competitions	<p>Elite Sports Academy organise competitive sporting competitions to allow children the opportunity to develop their understanding of a range of competitive sports.</p>
After school sports coaching and clubs (free of charge)	<p>Curling Bat and Ball KS1 (Tennis and Rounders) Dodgeball Multi-skills (KS1) Football Dance Gymnastics Hockey Tennis Striking and Fielding (Cricket and Rounders) Basketball Netball Multi-skills (KS2) Cricket</p>
Invest in new playtime equipment to encourage active playtimes	<p>All children in KS1 and KS2 have access to the new play equipment. The equipment is used at break and lunchtime.</p>
Swimming	<p>Due to Covid-19, children have not had the opportunity to go swimming this academic year. Year 6 did complete their top-up swim as a result of being part of the Boston School Sport Partnership. 82% (14/17) of Year 6 were swimming at least 25metres by the end of the year.</p>
Key Stage 1 Sport Development Day	<p>All Key Stage 1 children have taken part in a development day that has developed a wide range of skills within a range of sports.</p>
Playground Leader Training	<p>10 Year 4 children were trained to ensure that they were able to engage children with a variety of games during breaks and lunch times. The Year 4 children worked on a rota and engaged all ages of children with fun, active sessions and games.</p>
Sporting Development Days	<p>Elite Sports Academy were able to co-ordinate development days for all children, looking at a range of sports and further developing their sporting understanding.</p>
Involvement with Lincolnshire Cricket	<p>Lincolnshire Cricket came and worked with all five classes, offering a free taster session to children looking at how Cricket can be fun for all.</p>

	Children from Gosberton Academy then went on to join All Stars and Dynamos at local cricket clubs. These two initiatives are designed to get children involved in cricket prior to any competitive cricketing opportunities.
Competitive School Sports Week	Elite Sports Academy were able to co-ordinate competitive sporting competitions for all children, looking at a range of sporting activities and further developing their understanding.

CPD for Teaching Assistant during whole academic year.	0.3 of teaching assistants release time to be in all PE sessions.	£5000
TOTAL:		£16,665.50
Carry over to 2021-22 Academic Year		£444.50

Swimming Information

Year Group	5m	10m	25m	% of chn 25m
------------	----	-----	-----	--------------

3 (22)	n/a	n/a	n/a	n/a
4 (21)	12	8	4	19%
5(20)	13	7	7	35%
6(17)	17	17	14	82%

The above information is recorded from school swimming lessons that take place each week.

During the academic year, each child would attend weekly swimming sessions for one full term, either Autumn, Spring or Summer.

Impact

Our staff and children are benefitting greatly from the Sports Premium funding, which is having a positive impact on our pupils' physical wellbeing, as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of the impact that the Sport Premium Funding has had on our school and pupils;

- We have been able to offer a wider variety of sports clubs, including those run by specialist sports coaches. These have included opportunities for sports which may not have been experienced by children previously such as fencing, boxercise and curling. The clubs have continued to further promote and develop a range of sporting skills which can be applied across a variety of sports. Through the range of physical activities, children have been able to recognise that although sport can be competitive, it can be useful in a variety of other ways – creating and forming relationships, mental health and wellbeing, developing resilience, promoting challenge and developing collaborative skills
- Even during the Covid-19 pandemic, After-school clubs have continued to be well attended and 70% of the children at Gosberton Academy have attended at least one club. This is similar to 2018-19 (74.2%) and better than 2017-18 (69.5%), 2016-17 (64.8%) and 2015-16 (32%).
- The increased attendance at sports clubs has also had a significant impact on the children's abilities and confidence. The Headteacher teaches all of the PE at Gosberton Academy and this has allowed a clear progression throughout the school for developmental skills needed in a range of sporting activities. The introduction of the same teaching assistant in all PE lessons has developed her subject knowledge and allowed her the opportunity to work on her PE delivery and support.
- 100% of children have experienced some further sporting development sessions from external companies and sports clubs.
- 82% of children in Y6 were able to swim 25 metres by the end of Y6.
- As a result of the children's range of experiences, more children have started to take part in physical activity outside of school. 56% of Key Stage 2 children take part in sport outside of school. Some of the activities include: football, cricket, rugby, gymnastics, tennis, dance, horse riding, swimming and hockey.

How will we be spending our Sports Funding 2021/2022?

At Gosberton Academy we understand the importance of physical activity and sport. We believe that being active, working as a team and trying new sports is vital to the overall

wellbeing of our pupils. With this in mind we propose to spend this additional Sports Premium funding in the following ways:

Sports Premium funding received:	£17090	
Aims of spending	Costings	Estimated Cost
Membership to Boston School Sport Partnership	One off cost.	£2500
Entry to Elite Sports Academy competitions	Entry to in-House Leagues - £200. 2 nd team Entry to in-House leagues - £150. Entry to Power Leagues - £300.	£650
After-School Club Provision – Elite Sports Academy	33 weeks. 3 weeks per club. £30 per club	£3960
CPD for Teaching Assistant	TA release time to ensure all PE lessons can be attended to observe PE teacher.	£5000
Bikeability	One-off cost	£200
Sports Development Week	£55 per session – 10 sessions - £550. £200 Equipment and Rewards.	£750
PGL Activity Day	£50 per child.	£1050
Total:		£14,110
Still to be spent:		£2980

- Membership to the Boston Sports Partnership
- Transport to sports events
- Employ specialist sports coaches
- Enter competitive events run by Elite Sports Academy
- Offer after school and lunchtime sports coaching and clubs
- Subsidise PGL activity day for Year 4 and 5 children.
- Subsidise the Y6 PGL Residential. Money to contribute to the cost of the residential to allow more children to attend and experience outdoor and adventurous learning.
- Purchase new sports and playground equipment
- Invest in training sports leaders to lead activities
- Work with local sports clubs to raise children’s sporting involvement outside of school. Promote sporting opportunities outside of school and continue to point children in the right direction of different clubs across a wide range of sports.
- PGL Activity Day - Engage all pupils in physical activity and inspire pupils further in the development of their health and wellbeing
- Chance to Shine Cricket opportunity.

- To promote healthy living by providing workshops for pupils and their families with reference to healthy lunches.
- Bikeability – To provide bikeability for year 5 and 6 pupils to promote road safety and engage in physical activity.
- Enter a school league to build on skills being taught in their clubs.
- Continue to build self-esteem and confidence in small groups through sporting sessions – Discovery Sports
- Balanceability training. Primary Cycling for EYFS children
